Subject:- Construction of a Pucca Building for the Government Fisheries High School, Polipna - Grant of long term loan.

...

GOVERNMENT OF MYSORE,
Agriculture & Forest Department.

...

Ref:- 1. Letter No. Y.S. 10315/60 dated 16.2.60 from the Director of Fisheries in Mysore, Bangalore.

MSO R NO: 45 YFS 60, BANGALORE, DATED, 18 AUGUST 1960,
GAVANA 17, A.S. 1962.

The Polipna Nagaveera Mahasabha of Polipna in South Kanara District presented a Memorandum to the Minister for Agriculture requesting for the grant of a long term loan of Rs. 40,000/- to enable them to construct a pucca High School Building to house the high school at Polipna.

The Director of Fisheries states that the Polipna Fisheries High School began as an Elementary School and grew into a Higher Elementary School, then a Middle School and was upgraded into a High School during 1952-59. The school is located in the building provided by the local Nagaveera Sabha and as the accommodation is not adequate to run the fully fledged High School, recommends that a loan of Rs. 40,000/- be sanctioned to the Nagaveera Mahasabha of Polipna in South Kanara District for construction of a pucca building. He recommends also that the loan is returned in 10 year of equal instalments and to carry simple interest at 5% with penal interest at 9%.
